

## Uvalde County Appraisal District

### 2026 Low Income Housing Cap Rate

The Texas Property Tax Code requires all property to be appraised at 100% (one hundred percent) of market value. Also in the Code, the Chief Appraiser is required to use the Income Method to appraise property qualified as low-income housing under Section 11.1825. Specifically, the appraiser must consider the restrictions on who may rent the property and the amount of rent to be charged. As of January 31 of each year the District must give public notice of the cap rate to be used on all qualified low-income housing properties. The 2026 capitalization rate for the Uvalde County Appraisal District is between 8.5% and 9.5%
